VANIER COLLEGE

420-976-VA — Data Mining Project

LEA.EU — Artificial Intelligence & Data Science · Fall 2026

A4 — Assignment Presentation (A1–A3)

Weight	15%
Due Date	October 7, 2026

1. Assignment Overview

A4 is your formal presentation of your work from A1, A2, and A3.

You will present:

- Your dataset
- Your preprocessing pipeline
- Your models
- Your deployment
- Your dashboards
- Your insights

This prepares you for the LIA Oral Defense.

2. Requirements (Detailed & Specific)

Presentation Length

- 10–12 minutes
- 3–5 minutes Q&A

Presentation Content

Your slides must include:

1. Dataset Overview
2. Preprocessing Pipeline
3. Model Training & Results
4. Deployment Architecture (Docker)
5. Dashboard Demo
6. Key Insights & Recommendations
7. Limitations & Future Work

Technical Demonstration

You must show:

- Dashboard visuals
- MLflow model registry
- Interface for model invocation

3. Deliverables

- GitHub repo
- AI Use Disclosure

4. Evaluation Criteria (15%)

Component	Weight
Technical content	6%
Clarity & structure	4%
Demonstrations	3%
Q&A performance	2%
Total	**15%**
